

Mobile App Product Owner

BRUSSELS

External Description

Mission

As the Digital Product Owner for the mybpost app, you'll be leading the charge in turning our digital dreams into user-friendly realities. Your role is crucial in steering the agile journey and ensuring we deliver top-notch solutions that go beyond meeting customer expectations.

Is this mission for you?

Guiding Vision: Develop a clear roadmap for the mybpost app, merging business needs with tech innovation seamlessly.

Agile Leadership: Lead agile teams with a prioritized backlog, making sure sprints run smoothly and deliver impactful results.

Team Collaboration: Work closely with cross-functional teams – from business managers to developers and testers – breaking down barriers for effective collaboration.

IT Delivery Oversight: Direct IT delivery teams at both functional and architecture levels to achieve the desired outcomes.

Quality Assurance: Maintain high-quality standards throughout development, ensuring each feature genuinely adds value for our users.

Who are you?

Education: Hold a master's degree or equivalent, with a strong foundation in mobile app development and agile methodologies (SAFe or Scrum).

Experience: Bring over 7 years of experience in delivery management, with at least 5

years in an agile environment.

Soft Skills: Possess an entrepreneurial drive, a "think possible" mindset, and the ability to inspire teams towards customer obsession and excellence.

Technical Skills: Understand IT tools (Jira, Confluence, Miro), mobile app technologies and architecture.

Communication Skills: Fluent in English and at least one local language, with exceptional communication abilities to align teams and stakeholders.

Why bpost ?

Like many other companies, we offer, in addition to a monthly salary, a wide range of benefits, including meal vouchers, company car, hospitalization insurance, group insurance, disability insurance, 20 days' leave and 7 additional statutory leave days, an end-of-year bonus, double holiday pay and many benefits for more than 100 bpost partners.

This is where we really stand out:

You will have the opportunity to participate in a project of great social importance.

Decisions are taken here in Belgium. At the same time, you are part of an international story, thanks to our many activities in Europe, US and Asia.

You will find yourself in a company in a state of flux. Admittedly, this creates some complexity, but above all a lot of challenges and innovative projects.

The atmosphere, the collegiality and the friendly bpost culture is unique.

As an international service provider of parcel and e-commerce logistics, we create real connections between millions of people, businesses and communities. Our team of over 34,000 employees is our greatest asset in this story. Thanks to them, we continue to play a key role in our rapidly changing society.
