

SR Project Manager Subcomanagement

BRUSSELS

External Description

SR Project Manager Subco Mgt (Puzzlemaker)

Context

bpost is always on the move. As a leading postal operator in Belgium and an international provider of parcels and e-commerce logistics, we create real connections between millions of people, businesses and communities.

Mission

Optimize the 3rd party/outsourced logistics supply chain planning and synchronize demand & execution between the different bpost sorting centers and for Customer PU's.

This in close collaboration with operations and reporting to the supply chain organization to safeguard the operational efficiencies.

Tasks & responsibilities

You closely collaborate with multiple teams in a weekly recurring pattern, providing operational support, with the objective to implement sustainable solutions realizing savings by optimizing the end-to-end process and combining different demands.

Develop a strategic partnership with external partners by identifying, implementing, and monitoring appropriate actions and initiatives in accordance with procurement policies and procedures.

you are responsible for providing weekly insight into the accounting details of the puzzled solutions.

Engaging with key stakeholders from different levels in the organization, including colleagues from other departments (procurement,sales,accountancy...) to discuss optimization strategies.
