

Partnership manager Retail & Banking

BRUSSELS

External Description

Context

bpost is always on the move. We create an environment for our employees filled with challenging projects, inspiring collaborations, and the latest technologies, alongside attractive employment and training programs for everyone.

Within bpost Belgium, the retail network is a key pillar. Thanks to a physical presence with post offices, postal points, parcel points, and lockers, the retail network drives the rollout of new activities. As part of the transformation of bpost Belgium, we aim to transform post offices into multi-service centers through relevant partnerships with third parties. As a partnership manager, you will play a leading role in this transformation.

Your mission

The Partnership Manager Retail & Banking is responsible for identifying relevant new service activities for post offices and negotiating win-win partnerships with third parties to generate additional revenue for the company.

Tasks and Responsibilities

- Identifying relevant new services for post offices through benchmarks, trend analyses, and consumer research.
- Building and maintaining relationships with potential partners across various sectors.
- Negotiating win-win commercial agreements with third parties.
- Rolling out new services in post offices, considering staff training needs, the development of new tools and/or formats, and necessary marketing plans.
- Achieving revenue ambitions from new income streams.
- Following up on and managing ongoing partnerships on a day-to-day basis.
- Leading the "Service Center of the Future" track within the overall transformation plan of bpost Belgium.

Profile

- You combine strong program management skills with leadership and influencing capabilities.
- Master's degree or equivalent experience.
- 8 to 10 years of experience managing significant business initiatives.
- Thorough knowledge of project and process management.
- Your analytical approach allows you to quickly understand industries and build business cases by diving deep into details, while maintaining a clear overview to make your conclusions highly understandable.
- Your commercial mindset enables you to understand the needs of your counterparts and craft creative solutions for mutually beneficial deals.
- Sufficient credibility and authority to build relationships with senior stakeholders inside and outside the organization.
- Resilient under pressure and reliable.
- A high degree of autonomy to own and lead the program without requiring constant instructions.
- Strong leadership to coordinate various initiatives and steering committees.
- A can-do attitude and solution-oriented mindset.
- Strong communication skills.
- Excellent knowledge of Dutch, French, and English.
- Proficient in Microsoft Office tools and Business Objects.
