## Manager International Transport Road

FLEMISH BRABANT

### External Description

#### About Landmark Global

At Landmark Global, we are at the forefront of parcel and e-commerce logistics, connecting businesses and consumers across Europe, North America, and Asia. As part of bpost, Belgium's leading postal operator, we combine international reach with local expertise to deliver excellence to millions of doorsteps worldwide.

#### Your Role

As Manager International Transport Road, you'll lead the charge in optimizing Landmark Global's international road transport operations. From procurement to process innovation, your work will ensure we deliver outstanding service across borders while fostering meaningful partnerships and driving team performance

#### Key ResponsibilitiesTransport Optimization

- Analyze and refine road transport operations to boost efficiency, performance, and cost-effectiveness.
- Design optimized transport routes and oversee day-to-day operations to ensure punctual, high-quality delivery.
- Monitor key performance metrics and implement proactive improvements
- Procurement and Supplier Management
- Lead contract negotiations with transport providers, adhering to procurement regulations
- Secure high-quality services at competitive rates and maintain strong supplier partnerships
- Stakeholder Communication
- Serve as the go-to contact for internal teams and external partners
- Collaborate globally to establish and maintain road transport agreements
- Ensure accurate, streamlined data flows for all international transport activities
- Team Leadership and Financial Oversight
- Mentor and guide a team of transport planners, fostering growth and collaboration
- Coordinate with Finance to verify invoices and address supplier discrepancies

#### Your Profile

We're looking for an experienced logistics professional who combines strategic thinking with hands-on leadership

What You Bring:

- A master's degree in a relevant field and at least 5 years of experience in logistics, procurement, or transport operations
- Expertise in procurement processes, logistics, and European transport regulations
- Strong leadership and people management skills to lead and inspire a diverse team.
- Analytical and solution-oriented mindset with a passion for optimizing processes.
- Fluency in Dutch, French, and English to communicate effectively across cultures.
- Resilience under pressure, attention to detail, and a flexible approach to challenges

## **Why Join us**

We offer:

- Competitive salary with performance bonuses.
- A comprehensive benefits package including meal vouchers, insurance plans, and a company car.
- Generous leave policies to support your work-life balance.
- And most importantly: a dynamic, inclusive, and people-driven culture where innovation and growth are prioritized.

With a global team of 34,000+ employees, Landmark Global is where collaboration meets impact. At Landmark Global, we don't just move parcels — we create connections.

Impact: Help shape the future of global logistics and make a difference for businesses and communities.

Growth: Take on innovative projects and enjoy personalized development opportunities.

Culture: Thrive in a collaborative, inclusive environment that values people and progress.

Flexibility: Balance work and life with flexible working arrangements and generous leave policies.

Support: Work with cutting-edge tools and services that empower you to succeed.
