Manager International Transport Road at Landmark Global

About Landmark Global, a bpost company

At Landmark Global, we are proud to be a key player in parcel and e-commerce logistics, delivering mail and packages to millions of doorsteps across Europe, North America, and Asia. As part of bpost, Belgium's leading postal operator, we leverage our international presence and local expertise to connect businesses and consumers.

We offer an attractive benefits package alongside a competitive monthly salary, including meal vouchers, insurance plans, bonuses, a company car, generous leave days, and many other perks. But what truly sets us apart? Our commitment to creating meaningful connections, fostering an inclusive and collaborative culture, and driving innovation. With +34,000 employees worldwide, we are a people-driven company that values teamwork and continuous growth.

Your Role as Manager International Transport Road

As Manager International Transport Road, you will play a crucial role in optimizing Landmark Global's international road transport network, ensuring its efficiency, cost-effectiveness, and high performance. You will manage a wide range of responsibilities—from procurement to operational optimization—while building strong relationships with partners and leading a dedicated team.

Your Responsibilities

Transport Optimization:

- Analyze and improve road transport operations to enhance performance and cost-efficiency.
- Design efficient road transport routes and oversee daily operations to ensure quality and punctuality.
- Report on performance metrics and implement corrective and proactive actions when needed.

Procurement and Supplier Management:

- Lead tenders and negotiate contracts with road transport providers, adhering to Belgian and European procurement regulations.
- Secure optimal price/quality service agreements and maintain strong supplier relationships.

Communication and Stakeholder Management:

- Act as the primary point of contact for internal and external stakeholders.

- Collaborate with partners worldwide to establish and maintain road transport agreements.
- Ensure accurate and complete data flows for all international road transport activities.

Team Leadership and Financial Oversight:

- Manage and mentor a team of road transport planners, fostering their professional growth.
- Verify road transport invoices with the Finance department and address discrepancies with suppliers.

Your Profile

We are looking for a people-oriented leader with a strong analytical mindset, excellent communication skills, and a knack for optimizing processes.

What You Bring:

- A master's degree in a relevant field and at least 5 years of experience in a similar role.
- Proven expertise in procurement, logistics, and transport regulations.
- Strong people skills, with the ability to build and maintain networks across diverse teams and cultures.
- Exceptional analytical abilities and a solution-driven mindset.
- Proficiency in Dutch, French, and English.
- Flexibility, resilience under pressure, and attention to detail.

Why Join Landmark Global?

When you join Landmark Global, you become part of a dynamic and international story. Here's what makes us unique:

- **Impact:** Shape the future of global logistics while driving meaningful connections between businesses and communities.
- **Growth:** Take on innovative projects and enjoy extensive training and career opportunities.
- **Culture:** Experience a collaborative and inclusive work environment where people come first.
- **Support:** Benefit from state-of-the-art tools and services that let you focus on what truly matters.
- **Flexibility:** Enjoy a healthy work-life balance with flexible working arrangements.
