CHAPTER LEAD CHANNEL - MARKETING COE AGILE ORGANIZATION

Goal

bpost is always on the move. We create an environment for our people with challenging projects, inspiring collaborations and the latest technologies, offering interesting job opportunities and training programs for every employee. Within this context, we are looking for a Chapter lead work success creating e:

- Define and · Bachelor's degree in Marketing, Business, or a related field. Master's degree is a and analytical and organizational skills,
- You are flexible, assertive and resistant to stress and you can adapt quickly in a North-America and Asia. We deliver mail and parcels to millions of doorsteps and provide logistic services to businesses and consumers.

Is the vacancy above something for you? Then you're definitely someone who cares, who dares and who likes to work together. Because at bpost Parcels & Logistics...

...we care. bpost has always acted as a kind of link between people, societies and companies. Due to digitization, there is less contact between people, but our connecting and ubiquitous role has never been stronger. In addition to the important social services bpost provides, we are also one of the largest employers of short-schooled employees, offering them the opportunity to graduate from secondary school. **You'll have an impact on society and everyone in it.**

...we dare. In an economy that forces us to evolve at lightning speed, we think and act fast. We work on short-term projects, since we don't know what tomorrow will bring. We're decision-makers. We're flexible. We think internationally (while our heart is in Belgium). And we work faster and more efficiently every day through robotization and automation. Because **you'll be working for the growth engine of the group.**

...we work together. All the above with the realization that we're not alone. With over 34,000 employees in Belgium and across the globe, **you will work in an environment that is driven by people.** And our chain is only as strong as its weakest link (yes, cliché buster). That's why we are permanently connected to the business and the teams on the ground. The human dimension is of great importance within our company, at all levels. We invest in machines, but we are built on people. They are the strength of our business.
