

District Sales Manager

EAST FLANDERS

External Description

Context

bpostgroup strives to create an inclusive environment with challenging projects and inspiring collaborations. With our employees at the heart of our organization, we don't believe in jobs; we believe in careers. We create an environment that encourages professional growth, offering stimulating projects, the latest technologies, and comprehensive training programs for all. In this context of continuous evolution and development, we are currently seeking for a District Manager (post offices) for the area Ghent.

Your mission

As a District Manager your mission is to achieve the commercial and service objectives within the assigned area (Area Ghent). You will oversee and ensure the professional and high-quality execution of processes to guarantee operational efficiency, productivity, and customer satisfaction in about 20 offices. By leading a dynamic and motivated team, you will create a positive impact on both business results and the customer experience.

Tasks and Responsibilities

Drive Revenue Growth

- Transform commercial objectives into actionable weekly and daily targets (TOP 5 activities) to keep the team focused and motivated.
- Develop, communicate, and implement action plans aligned with national and regional strategies to achieve commercial goals within your cluster.
- Lead and oversee the seamless execution of sales activities (on domains such as parcels, franking, financial services) , including follow-ups on campaigns, applying effective sales techniques, and tracking team performance via briefings, remote management, and on-site coaching.
- Maximize the use of centrally developed tools and methodologies to enhance sales performance and customer engagement.

Elevate Customer Satisfaction

- Create and execute customer-focused strategies that align with national and regional guidelines to meet and exceed satisfaction goals.
- Monitor key customer satisfaction metrics (e.g., waiting times, friendliness, proactivity) and take action to address any gaps.
- Build and maintain positive relationships with stakeholders across the cluster to strengthen the customer experience.

Ensure Operational Excellence

- Define, implement, and monitor service-focused action plans that drive efficiency and operational excellence across the cluster
- Continuously improve process execution and operations by overseeing KPIs such as accessibility, workflow optimization, safety standards, and employee well-being.
- Ensure compliance with accounting rules, internal controls, and regulatory standards, safeguarding the company from financial, operational, and reputational risks. Act as the primary point of contact for regional audits.

Build a Dynamic and Motivated Team

- Inspire, coach, and support your team to achieve commercial and service goals through personalized follow-ups, regular office visits, and effective use of coaching resources.
- Lead engaging and impactful meetings with Office Managers to align on strategies, operational quality, customer experience, sales and celebrate successes.
- Conduct meaningful performance reviews, providing constructive feedback and identifying growth opportunities for each team member.
- Drive optimal staffing levels by addressing absenteeism, managing workload distribution, and participating actively in recruitment and onboarding processes.
- Oversee and communicate changes effectively, ensuring smooth transitions during cluster reorganizations.

Participate in Project Roll-Outs

- Act as a key contributor to cultural transformations within Retail & Banking, advocating for flexibility, a results-driven approach, and excellent customer service.
- Play a hands-on role in implementing innovative improvement projects within the organization to drive continuous growth.

Build and Maintain Strong Professional Relationships

- Foster constructive and collaborative relationships with Mail Services, local unions, HR teams, other cluster managers, sales coaches and relevant stakeholders.
- Partner with the Regional Management Team Flanders on sales, operations, customer centricity and HR related

Profile

- Bachelor's or Master's degree, or equivalent through experience
- More than 5 years of experience in a leadership or people management role
- Strong knowledge of management and coaching skills
- Familiarity with the products and services in a retail banking environment, processes and procedures, sales techniques, and specific IT applications
- Good understanding of HR policies/guidelines, unions, accounting rules, compliance procedures and guidelines
- Being able to communicate in the second national language is a plus
