

Product manager - Parcel lockers

BRUSSELS

External Description

Product manager - parcel lockers

bpostgroup strives to create an inclusive environment with challenging projects and inspiring collaborations. With our employees at the heart of our organization, we don't believe in jobs, we believe in careers. We're now looking for a senior learning design expert who will make us move.

Your mission:

The Out of Home (OOH) team within bpost is responsible for all manned and unmanned collection points within bpost, excluding post offices. This includes parcel points, postal outlets and parcel lockers. Currently bpost has around 1,300 parcel lockers. By the end of 2025 we want to nearly double that amount. Parcel lockers are an important strategic growth pillar within bpost.

Several new projects and products will be launched on our automatic parcel lockers in the coming months and years. To support this growth, a **'locker capability tribe'** has been launched within bpost. This tribe will collect, analyse, prioritise and bring all changes in services and capabilities to production.
